The **Belize Billiards Sporting League (BBSL)**, founded in May 2023, has a clear mission: to elevate the sport of billiards in Belize to **international standards**. As a proud member of the **Confederacion Panamericana de Billar (CPB)**, which serves as the governing body for billiards in Latin America, the BBSL is committed to promoting and developing the sport across the nation.

Here are the key tasks and responsibilities entrusted to the BBSL:

1. **Promoting Billiards Nationally:**

- The BBSL actively promotes billiards in its various modalities within Belize. Whether it's **Carom, Pool, or Snooker**, the league aims to raise awareness and participation at the national level.

2. **Youth and Community Development:**

- Billiards is not just a game; it's a powerful tool for personal growth. The BBSL focuses on using billiards as a **sporting avenue** for young people, men, and women in Belize. By engaging the community, they aim to foster discipline, teamwork, and character development through billiards.

3. **Programs for Skill Development:**

- The BBSL establishes both **recreational** and **competitive programs**. These initiatives are designed to nurture talent, enhance skills, and create a strong foundation for billiards enthusiasts. Whether someone is playing for leisure or aiming for professional excellence, the BBSL provides opportunities for growth.

4. **National Championships and Recognition:**

- To celebrate excellence and showcase the best players, the BBSL organizes **national championships** across all billiards modalities. These events determine the **national champions** in each category, reinforcing the competitive spirit and promoting healthy competition.

5. **International Representation:**

- Belize takes pride in its billiards players, and the BBSL aims to **represent the nation internationally**. By participating in global billiards events, Belize can showcase its talent, sportsmanship, and love for the game on the world stage.

6. **Supporting Players on the Global Scene:**

- The BBSL actively encourages and assists Belizean players in attending various **international billiards competitions**. Whether it's providing financial support, logistical assistance, or mentorship, the league ensures that Belizean players have the opportunity to compete at the highest levels.

The Belize Billiards Sporting League plays a pivotal role in shaping the future of billiards in Belize, fostering talent, and connecting the nation to the broader billiards community worldwide.
